

and partners
invite you
to the International Conference

AIR PROTECTION 2025

November 24 – 26, 2025

Štrbské Pleso, PATRIA Hotel, Slovakia

1st Announcement

This year, on behalf of the organizers, we would like to invite you to the traditional International conference **AIR PROTECTION 2025**, which is annually attended by over two hundred representatives from companies, state and public administration, universities, as well as experts, mainly from Slovakia but also from the Czech Republic, to exchange experiences and discuss current problems. We are preparing interesting presentations for you on current topics in the field of air protection and we also offer you the opportunity to share your new knowledge and experience with other experts in this field. You can also participate in the conference program with a professional lecture, a professional poster, or you can present your company or an interesting project you are working on. We believe that this year's topics will interest you and we will be able to meet you in the pleasant environment and atmosphere of the Patria Hotel in Štrbské Pleso. We look forward to seeing you.

TOPICS

- 1. Legal Regulations in the Field of Air Quality, News and Plans for the Future. Changes in Construction Legislation and the Impact on Specific Legislation in Air Protection**
- 2. Climate Change Impacts – Mitigation and Adaptation Measures**
- 3. Strengthening the Powers of Local Governments to Regulate Small Sources of Air and Odor Pollution. Sensory Measurement of Air Quality**
- 4. Control and Inspection Activities for Compliance with the Air Act and Relevant Legislative Regulations**

PUBLICATION OF PROFESSIONAL PAPERS

Professional papers presented at the conference will be published in the original (conference) language in a peer-reviewed collection, which will be part of the conference package for participants.

PROFESSIONAL POSTER SECTION FOR DOCTORAL STUDENTS OF UNIVERSITIES

The space set aside for the exhibition and publication of professional posters on the topic of air protection will allow the presentation of the knowledge of doctoral students of universities with the possibility of their publication in a peer-reviewed collection and with a discount on the participation fee.

INFORMATION FOR LECTURERS

To apply for a professional paper/poster, you must send the title as well as a brief annotation in English (about 10 sentences) to the e-mail of the conference organizer. Contributions will be assessed by expert guarantors, and then the author will be sent an acceptance letter along with instructions for processing the contribution into the collection. Only selected contributions will be included in the conference program for presentation.
