EU login account registration

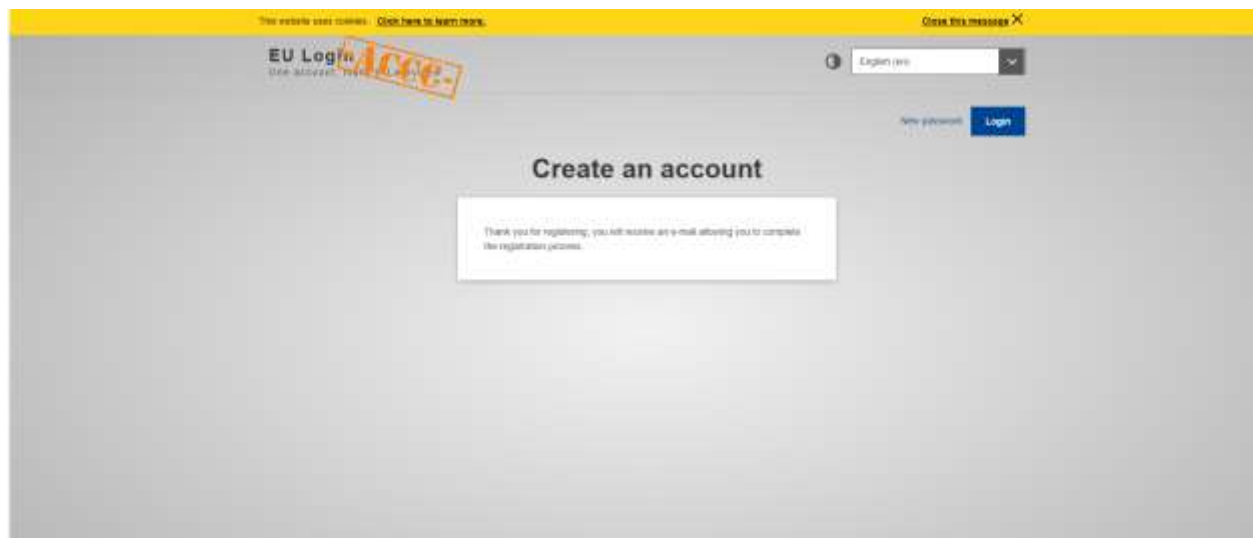

Registration link for EU login; <https://webgate.ec.europa.eu/cas>

- Click on the registration link user will land on the EU create account page.

The screenshot shows the 'Create an account' page of the EU Login system. At the top, there is a yellow banner with the text 'This website uses cookies. Click here to learn more.' and a 'Close this message' button. Below the banner, the 'EU Login' logo is visible on the left, and a 'Login (en)' dropdown menu is on the right. A 'Create an account' button is also present. The main heading is 'Create an account'. Below it, there is a form with the following fields: 'First name' (with a yellow border), 'Last name', 'Email', 'Confirm e-mail', and 'E-mail language' (with a dropdown menu set to 'English (en)'). A checkbox is present with the text 'By checking this box, you acknowledge that you have read and understood the [privacy statement](#)'. At the bottom of the form are 'Create an account' and 'Cancel' buttons. The footer contains links for 'About EU Login', 'Cookies', 'Privacy Statement', and 'Help', along with a 'Powered by' logo.

- Enter the details and click on the **Create an account** button.

The screenshot shows the 'Create an account' page after a successful registration attempt. The form fields are now disabled. A white message box in the center of the page contains the text: 'Thank you for registering, you will receive an e-mail allowing you to complete the registration process.' The rest of the page layout, including the top banner, logo, and footer, remains the same as in the previous screenshot.

- User will receive an email to complete the registration.
- From the email click on the link user will land on the create password page.
